“ERU Willingness Form”

Registration Number: _____

It is for the information of all concerned that due to the low average in the sessional marks as well as in the closed book, closed notes portion of End Semester Examination of the subject of “Energy Resources & Utilization”, the concerned authority is planning to provide you with another chance. **By availing this chance you will be able to make an increase of maximum 10 marks in your sessionals.** A paper will be provided to you, whom you would have to solve within the prescribed time duration (4 – 5 days). It will be a challenging task, and students may have to visit some appliance manufacturer industries to collect the data for analysis. The details and regulations of this proposal will be brought in front of you after the confirmation of this plan, which is subjected to the willingness of given number of students.

Keep informed that the conductance of this paper is not mandatory. It is subjected to the amount of students who show willingness to avail this option.
